Medical component manufacturer MRPC adds territory manager

BUTLER, Wis. (October 13, 2009) – MRPC, a single-source provider of medical device components and assemblies, has added Shane Mesenberg as the Upper Midwest Territory Manager.

Mesenberg joins MRPC with 14 years of experience in the plastics molding industry. He received a bachelor's degree in composite materials engineering from Winona State University. Mesenberg's primary focus will be the Minneapolis area targeting the medical device marketplace.

"Mesenberg is a key addition to our sales team," said Mark Brandstaetter, vice president of sales and marketing at MRPC. "His extensive background and strong knowledge of the Minneapolis area will assist in advancing MRPC's customer efforts in that territory."

About MRPC

MRPC, a single-source provider of innovative medical device components and assemblies, specializes in clean room molding with a focus on silicone molding, two-material molding and micromolding. MRPC is committed to providing its customers with the highest level of expertise. Since 1921, MRPC has been helping customers compete in an ever-changing marketplace. MRPC is ISO 9001 and ISO 13485 certified. For more information, please visit the company's Web site at www.mrpcorp.com or contact the company at 262-781-7122.
